In excess of 800 inquiries were referred to this office by Federal Departments, Provincial Departments and the general public, all of which were investigated and satisfactory results obtained.

In 1983 economic stability of the insurance industry in New Brunswick appeared to improve. No doubt this was in part due to the strict measures of control applied by the Office of the Superintendent to insurers, agents and adjusters.

The continuing search for new companies to become licensed in the Province is beginning to pay dividends as eleven new companies have applied for licenses during the year covered by this report.

A lot of time has been directed by the Superintendent towards the introduction of the New Brunswick Official Languages Act and the requirement that it imposes on the insurance industry, respecting services and forms in both languages as of January 1, 1984.

I would again like to record my appreciation for the excellent co-operation received from all sections of the industry.

Respectfully submitted,

T.O.C. MAKIN

Afin d'éviter le chevauchement des taches et de réduire le nombre de rapports des compagnies, le bureau de Surintendant a incorporé la declaration d'impot pour le Prévot des incendies a la déclaration ordinaire d'impot sur les primes, et s'est chargé de la perception.

Notre bureau a recu plus de 800 plaintes en provenance de ministéres féderaux et provinciaux et du grand public. Dans tous les cas, les plaintes on été étudiées et des résultats satisfaisants ont été obtenus.

VOICI LA LISTE DES COMPAGNIES QUI ONT RECU UN PERMIS DANS LA PROVINCE ET LE MONTANT DE LEUR CAUTION:

Trois cent neuf (309) assureurs ont du contribuer de façon proportionnelle, en vertu de l'article 94 de la Loi sur les assurances, la somme de $212,598.22 requise pour l'application de la Loi.

En 1983, la stabilité économique de l'industrie des assurances semble s'être améliorée. Cette amélioration est sans doute en partie attribuable aux strictes mesures de contrôle imposées aux assureurs, agents et experts en sinistre par le bureau du surintendant des assurances.

L'effort persistant en vue de trouver de nouvelles compagnies prêtes à obtenir une licence au Nouveau-Brunswick commence à porter fruit, étant donné que onze nouvelles compagnies ont demandé un permis au cours de l'année du rapport.

Le surintendant a consacré beaucoup de temps à la mise en application de la Loi sur les langues officielles du Nouveau-Brunswick ainsi qu'aux exigences que celle-ci impose à l'industrie des assurances en ce qui concerne les services et formules dans les deux langues officielles à compter due 1er janvier 1984.

Je voudrais profiter de l'occasion pour remercier encore une fois tous les secteurs de l'industrie pour leur excellente collaboration.

Respectueusement soumis,

T.O.C. MAKIN
